Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 17 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A dry night, with clear spells and some fog patches.

This Evening and Tonight:
Skies start to clear through the evening leaving lengthy clear spells for many overnight. Staying dry throughout and some fog patches may form under the clearest skies, most likely in the south and east. Minimum temperature 11 deg C (52 deg F).

Saturday:
Overnight fog patches quickly clear and for most it will be bright early on. Patchy cloud develops through the day, bringing with it a chance of showers, some possibly heavy. Maximum temperature 23 deg C (73 deg F).

Outlook for Sunday to Tuesday:
Wet and cloudy on Sunday, with some organised heavy showers. Often cloudy on Monday, with some showers possible. Drier on Tuesday, with variable cloud.
